

East Asia & Pacific

Asia-Pacific or Asia Pacific (abbreviated as APAC, Asia-Pac, AsPac, APJ, JAPA or JAPAC) is the part of the world in or near the Western Pacific Ocean. The region varies in size depending on which context, but it typically includes much of East Asia, South Asia, Southeast Asia, and Oceania. The term may also include Russia (on the North Pacific) and countries in the Americas which are on the coast of the Eastern Pacific Ocean; the Asia-Pacific Economic Cooperation, for example, includes Canada, Chile, Russia, Mexico, Peru, and the United States. Alternatively, the term sometimes comprises all of Asia and Australasia as well as small/medium/large Pacific island nations (Asia Pacific and Australian continent) - for example when dividing the world into large regions for commercial purposes (e.g. into the Americas, EMEA and Asia Pacific). On the whole there appears to be no clear cut definition of "Asia Pacific" and the regions included change as per the context. Though imprecise, the term has become popular since the late 1980s in commerce, finance and politics. In fact, despite the heterogeneity of the regions' economies, most individual nations within the zone are emerging markets experiencing rapid growth. (Compare the concept/acronym APEJ or APeJ - Asia-Pacific excluding Japan.) == Component areas == The Asia-Pacific region generally includes: === Asia === East Asia China Hong Kong Macau Japan North Korea South Korea Mongolia Taiwan North Asia Russian Far East South Asia Bangladesh Bhutan British Indian Ocean Territory India Maldives Nepal Pakistan Sri Lanka Southeast Asia Brunei Cambodia East Timor Indonesia Laos Malaysia Myanmar Philippines Singapore Thailand Vietnam === Oceania === Australasia Australia Christmas Island Cocos (Keeling) Islands Norfolk Island New Zealand Papua New Guinea Melanesia Fiji New Caledonia Solomon Islands Vanuatu Micronesia Guam Kiribati Marshall Islands Micronesia Nauru Northern Mariana Islands Palau Wake Island Polynesia American Samoa Cook Islands Easter Island French Polynesia Hawaii Niue Pitcairn Islands Samoa Tokelau Tonga Tuvalu Wallis and Futuna == Main countries and territories data == == See also == List of business region acronyms Geography of Asia Oceania Asia-Pacific Economic Cooperation (APEC) South Asian Association for Regional Cooperation (SAARC) East Asian Summit Pacific Century Asian Century Asia Pacific Forum Asia-Pacific Network
